# GPYS IS YOUR CHOICE

Trust is what GPYS will have to establish, gain, and prove by overcoming society's defense "Wall" due to the lack of trust we have experienced from our government system.

Unfortunately, the only way to establish trust is thru time. This is a "Double Edge Sword" for GPYS- Just know that GPYS is for positive and will fight off negativity at all costs.

Change is another factor that GPYS will have to overcome by informing society of the purpose of GPYS and how it works towards the “Good” of improving our human race.

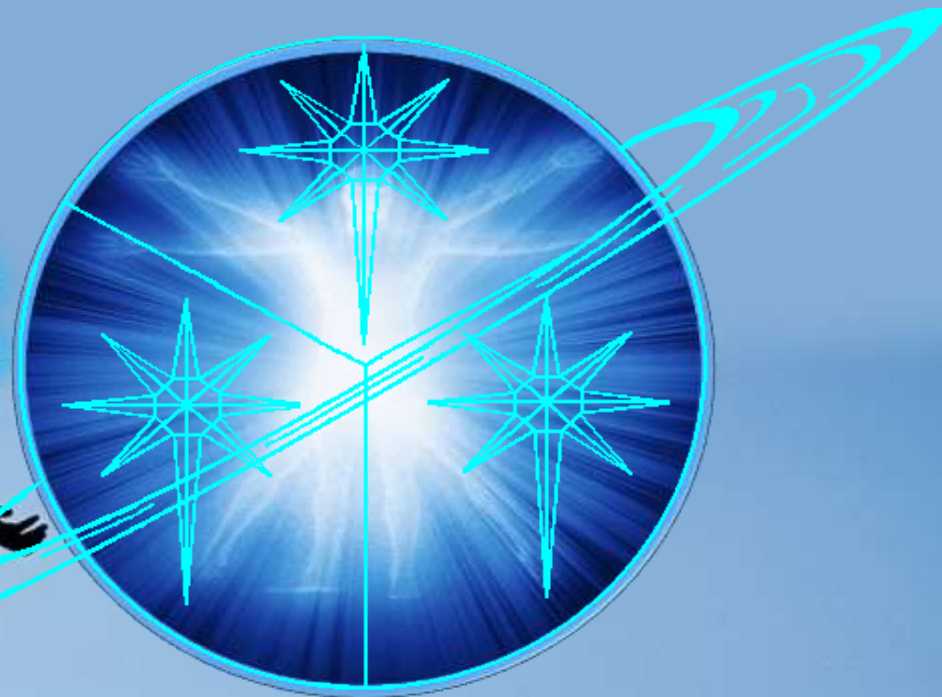

Part of improving any Development in one’s life is doing something different and getting out of our Comfort Zone to actually place ourselves in position to make a change in our life.

GPYS Leadership Corps. Academy will support you to make the transition of change easier for you.
